

PRESIDENTIAL TOUR THROUGH THE DAKOTAS

The Journey Through the Southern State Has Been Completed

The Principal Stopping Place Was at Sioux Falls Where the President Spoke at Length on the Subject of the Tariff Going Over the Ground Traversed by Him in Some of His Earlier Speeches—He Stopped Briefly at Many Other Points—He May Change His Plans in Favor of Deadwood.

Aberdeen, S. D., April 6.—President Roosevelt today traversed South Dakota and made more speeches than on any other day during his present trip. He began with two speeches at Sioux Falls this morning and ended his twelfth speech this evening at Aberdeen. The speeches were confined for the most part to the tariff and to the general prosperity of the country. In all his speeches today he followed closely the lines of his former addresses on these subjects.

The president was accorded a cordial welcome at the different stopping places, and at many stations where the train did not stop, crowds gathered and cheered as the special sped by. One feature of the day was the large number of children in the various audiences, and the president referred to them several times, saying that he was glad to see that the stock was not dying out.

The president had as his guests during the day Senators Kittredge and Gamble and Representatives Martin and Burke, the South Dakota delegation to congress. They left the train at Aberdeen. At Tulare the president departed from his usual custom and descending from the car, shook hands with the people gathered at the station.

Yankton was the first stop after the train left Sioux Falls. To the audience at Yankton the president spoke on the tariff and qualities of good citizenship, saying in this connection: "It has been a pleasure to see you, and I

can sum up all I have to say to you in just a couple of phrases. You need wise laws. See that you get them. You need honest administration of the laws. See that you have it."

He made a conditional promise to Captain Seth Bullock, who will travel with him as far as Billings, Mont., that if the snow is too deep in Yellowstone park he will leave there one day earlier than he had intended, and will spend a day at Deadwood. Mr. Bullock has promised the president a good time, and is planning a regular cowboy jollification. The president is scheduled to arrive at Fargo, N. D., at 4:30 o'clock tomorrow morning but he will not leave his car until 8 o'clock. At Fargo, the president will deliver one of the longest speeches of his tour. He will spend tomorrow in North Dakota, and will enter Yellowstone park on Wednesday afternoon.

BRIEF STOPS.

Mitchell, S. D., April 6.—President Roosevelt paid a flying visit to Mitchell this afternoon, and delivered a short address to a large crowd of people who met the train. He talked on the prosperity of the country, his remarks being heartily applauded. Between Yankton and Mitchell brief stops were made at Scotland and Parkstown. Heads of people gathered around the president's car at each place, and cheering him. At Scotland, a pleasing feature of the crowd was a group of school children waving flags.

Washington, April 6.—The court martial which tried Chief Commissary Steward George Elds at Newport, R. I., on the charge of accepting commissions from merchants on account of supplies purchased for the navy training station, found him guilty and sentenced him to one year imprisonment.

COLORADO LEGISLATURE.

Ready to Adjourn and Part of Its Work Unfinished.

Denver, Colo., April 6.—With the close of the legislative day of yesterday the regular session of the fourteenth general assembly comes to an end but at 1 o'clock this, Tuesday, morning both houses were still at work and numerous conference committees were considering bills, some of which are of prime importance, and there seems at this time good prospects that an extra session will be held.

Indeed it is asserted that Governor Peabody has already prepared his call for an extra session to meet immediately upon the adjournment of the regular session if the general appropriation bill is not adopted. At midnight a conference committee on the St. Louis fair bill agreed upon an appropriation of \$100,000 for the Colorado display and both houses adopted it. Among the bills still in the hands of the conference committees are the eight-hour bill and the referendum bill.

The Disputed Government Grant in Southern California.

Washington, April 6.—The United States supreme court today affirmed the decision of the United States circuit court of appeals for the ninth circuit in the case of the Southern Pacific Railroad company and others vs. the United States. The action was brought to quiet title to land in Southern California in dispute between the Southern Pacific and the Texas Pacific Railroad companies, both claiming it under government grants.

The opinion held that the land in controversy was covered by Texas Pacific and not by Southern Pacific grant.

Thomas Taggart, mayor of Indianapolis, and Dr. P. C. Jamieson, were at the head of the party. With them were seven stockholders of the Indiana and Sonora Mining company.

The Taggart party had a special train awaiting them and as soon as they reached Douglas they were transferred and proceeded toward Fairbanks at the rate of sixty miles an hour. In order to catch a train for Nogales which leaves them at Hermosillo. DR. HEBER NEWTON LEAVES STANFORD

His Pastorate of the Memorial Church Lasted Five Months.

Stanford University, Cal., April 6.—Rev. Heber Newton has been called pastor of the Stanford Memorial church. This information leaked out today and came as a tremendous surprise to the student body and others connected with the university.

The definite reasons for the resignation are not known. Dr. J. M. Tilden, acting head of the university in the absence of President Jordan, states that the resignation is purely a personal matter and has no connection with the university proper. Dr. Newton has occupied the Memorial church pulpit but five months, having come here from New York, where he preached in All Souls' Episcopal church for over thirty years.

The immigrants came from nearly every country in Europe, a large number coming from Norway and Sweden. Immigration agents here declare that the present year will see all records for immigration and settlement in the northwest broken by a large majority.

KEENE LOSES AGAINST HARRIMAN

Decision in the Southern Pacific-Union Pacific Suit

The Motion for a Permanent Injunction Restraining the Latter Road From Voting at the Southern Pacific Election Was Denied.

Cincinnati, O., April 6.—At 1 o'clock this afternoon Judge Lorton concluded the reading of his opinion in the suit making application to restrain the Union Pacific from voting its 96,000 shares in the Southern Pacific that has been set for April 8th and for other relief. The decision was a refusal to grant the injunction and to afford the relief asked.

The opinion, which was quite lengthy, was against the contention of the complainants that the Union Pacific was a necessary or actual party to the suit, even though Chairman Harriman of the Union Pacific board of directors had made affidavit in the case. Being a mere witness in the case did not amount to an appearance by the Union Pacific as a party in the suit. As to the averment that the Union Pacific was expending the receipts of the Southern Pacific in betterments on the Central Pacific with a view to the ultimate purchase of that road, the court held that all this was specifically denied by the defendants, and even if true it could not be sustained except on a showing that the action was ultra vires. On the whole case the court held that the bill be dismissed.

Senator Foraker, who represented the complainant minority stockholders of the Southern Pacific, gave notice of an appeal to the United States court of appeals and asked that, pending the hearing of this appeal, the election of directors of the Southern Pacific set for April 8th be stayed. Lawrence Maxwell and Judge Humphrey, representing the defendants, agreed to that order, inasmuch as to do otherwise would render the appeal ineffective. It was agreed that the stockholders may meet as arranged and elect a chairman and then adjourn until called by the chairman after the appeal has been disposed of by the court of appeals.

NO COMMENTS.

New York, April 6.—T. J. Taylor & Co., brokers for James H. Keene, declined to discuss the decision or say what further steps if any will be taken. At the Union Pacific offices nothing in the way of an official statement was made. Representatives of Kuhn, Loeb & Co. were pleased by the news but had no comments to make.

ON A TECHNICALITY.

New York, April 6.—Edward Lauterbach, counsel for Taylor & Co. in the Southern Pacific injunction proceedings, said today that he had been informed that the decision not to make the injunction permanent was based upon a technicality. Judge Lorton holding that the Union Pacific was an indispensable party in the case and would have to be represented in the court before an injunction should be granted against it. He explained that the rulings in the Northern Securities case held that actions against a stockholder in the legal habitation of the company in which stockholders have a membership. So the case was not brought against the Union Pacific but against the Southern Pacific as representatives of all its stockholders.

STRATTON WILL CASE ENDS BY COMPROMISE

The Contestant Will Receive a Small Part of the Millions.

Colorado Springs, Colo., April 6.—A compromise has been agreed to by both sides of the litigation to break the will of the late W. S. Stratton. By its terms, L. H. Stratton, who is contesting the will, receives \$250,000 cash. This sum includes the \$50,000 given him in the will by his father. Stratton must also pay his attorneys and all costs connected with the litigation out of the \$250,000. The court costs will reach \$3,000 and the amount of cash Stratton will receive after paying his attorneys aggregates half the amount received.

The compromise came out in an informal talk between the attorneys for both sides as they were returning last night on the train from Denver. They began bantering each other and from joking the talk became serious, and resulted in a definite proposition and the selection of Attorneys E. E. Whittle and E. O. Wolcott to arrange the matter.

SENTENCE OF A CRIMINAL.

Manila, April 6.—William H. Wilson, formerly discharging officer of the bureau of the coast guard and transportation here, who defaulted and was arrested in Montreal, and who was brought back to this city March 15th, was today sentenced to twelve years imprisonment.

THE RIVER STILL UP.

New Orleans, La., April 6.—During the day the river gauge here showed 20.4 equal to the highest figures reached at New Orleans this season. The outlet at Hymelia has not yet been closed. Reports from Magnolia bay say all danger there has passed.

CLOUD COUNTY CLEAR.

No Foot and Mouth Disease in That Part of Kansas.

Topeka, Kan., April 6.—Dr. N. S. Mayo, state veterinarian, reported today to the state livestock commission that there are no cases of the foot and mouth disease among the cattle of Cloud county. Dr. Mayo said the cattle are afflicted with a disease caused by eating rye pasture in which there was a fungus growth. The Nebraska authorities were talking last week of instituting a quarantine against Kansas on account of the prevalence of the disease.

MR. CABLE WILL STAY.

Topeka, Kan., April 6.—General Superintendent H. S. Cable of the Rock Island lines west of the river tonight authorized a denial of the statement that he is to be transferred to some other point on the system. The story of his removal has been placed in circulation several times and has as often been denied by Mr. Cable.

BRYAN GOING EAST.

New York, April 6.—W. J. Bryan has notified his New York friends that he will be in the east in May and will deliver a series of addresses on political subjects in the states of New York, Connecticut, Rhode Island, Massachusetts, New Jersey and Maryland, says the Brooklyn Eagle.

POSTOFFICE INVESTIGATION.

The Postmaster General in Accord With the Crusade.

Washington, April 6.—Postmaster General Payne is expected to return early next week from his trip to Cuba and Porto Rico, and immediately on his return the facts already developed by the investigation of affairs in the post-office department will be made known to him. The investigation is still in progress.

The investigation was made by the direction of the postmaster general and with his full approval. Acting Postmaster General Wynne today authorized an unequivocal denial of reports that have been circulated that the postmaster general is not in accord with him in the inquiry and that Wynne acted without the authority of Mr. Payne.

FUSION BEATEN IN CINCINNATI

The City Went Republican by a Heavy Majority.

Cincinnati, O., April 6.—Complete returns from 228 precincts in Cincinnati give Fleischmann, republican, for mayor a plurality of 16,620, majority 12,001. The council and school boards each stand twenty republicans to four democrats. The entire republican city ticket, including all boards, were elected by about the same vote as that of Fleischmann.

The villages of Bondhill, Evanston, Hyde Park and Winston Place were annexed to Cincinnati by a decisive vote. M. E. Ingalls, the fusionist candidate for mayor, declined to make a statement, but his colleagues on the fusionist ticket stated that the result was due to the superior organization of the republicans and fraudulent registrations and corruption. They insisted that the fusion organization be continued and perfected.

ELSEWHERE IN OHIO.

Cincinnati, O., April 6.—While the republicans made material gains in the municipal elections today they did not secure many changes in administration of cities. The most notable exception was at Columbus, where Mayor J. N. Hinkle, democrat, is succeeded by Robert H. Jeffrey, republican. Jeffrey's plurality is at least 1,500. The mayor of all the leading cities except Columbus were re-elected. The republicans retained control of Cincinnati and the democrats of Cleveland, and Sam M. Jones was elected as an independent for the fourth time as mayor of Toledo. The democrats re-elected their tickets at Dayton, Sandusky, Chillicothe, Hamilton and other cities normally democratic, and republicans at Steubenville, Youngstown, Warren, Ironton, Portsmouth and other towns they have heretofore controlled.

The fusion tickets as a rule were defeated in a dozen or more places where they were in the field. One of the most noted gains of republicans was at Mansfield, where local issues controlled results as was the case in most places. There is much diversity of opinion as to the effect of these municipal elections upon the next republican nomination for governor, but it is conceded that Mayor Tom L. Johnson of Cleveland will now be a formidable candidate for the democratic nomination for governor, but it is conceded that the Ingalls organization will be continued with a view of making Mr. Ingalls the democratic opponent of Hanna for the senatorship.

There is much gossip here tonight about the incipient boom of Mayor Fleischmann for the republican nomination for governor. It is conceded that the endorsement of Mayor Fleischmann's administration mainly produced the result in Cincinnati, the largest plurality of the largest total vote in the history of the city. Owing to his large business interests he had declined a re-nomination, but after the fusionists nominated M. E. Ingalls the nomination was forced upon Mr. Fleischmann.

WEATHER TODAY.

Washington, April 6.—Forecast for Arizona and New Mexico—Fair Tuesday and Wednesday.

PENNE'LL'S PREPARATION FOR A SUDDEN DEATH

Said to Be a Defaulter to the Amount of \$200,000

He Took the Precaution of Making Good by Life Insurance Policies—He Also Provided for the Future of Mrs. Burdick to the Amount of \$25,000—It Is Brought Out That Pennell Had Contemplated Suicide for Two Years but That His Nerve Was Never Equal to His Purpose.

Buffalo, N. Y., April 6.—The Commercial this afternoon publishes a story in which it is alleged that Arthur R. Pennell, who was killed in an automobile accident on March 10, was a defaulter to the extent of from \$150,000 to \$200,000. The story, the Commercial says, leaked out as the result of a legal dispute over the life insurance policies, and is to the effect that Pennell induced friends in east who had known his family and the family of his wife to place money in his hands for investment. He acted, in fact, as their financial agent.

He would inform them of some good investment which he had come across which would pay an excellent rate of interest, and they would send him money. The money which was sent to him for investment, it is alleged, he spent, and when interest payments fell due, he made payments out of his own pockets. Wallace Thayer, who was Pennell's attorney and intimate friend, is referred to by the paper as saying he had suspected irregularities but that he had no proof of any such wrong doing.

Incidentally, it has been learned that Pennell made provision for the payment to Mrs. Edwin L. Burdick of \$25,000 out of his life insurance. Pennell carried \$200,000 life insurance in order that, as the Commercial says, after his death the eastern estates to which he is alleged to have been a defaulter, might be able to recoup the losses which they sustained through him. In his will Pennell named Wallace Thayer as executor of his estate his brother, J. Frederick Pennell.

He left to his administrator sealed instructions that upon his death he should make good in full out of his estate all the losses which had been sustained by Pennell's defalcations. The Commercial adds that Pennell had contemplated suicide for two years, "and says the fact is known that Pennell planned two years ago to throw himself in front of a train at Peekskill and to make it appear that his death was an accident."

He stopped off at Peekskill on the way back from New York, with the intention of committing suicide in that way, but his nerve failed him. Recently he told the story of the Peekskill incident himself.

During the Spanish-American exposition he sought for days for an opportunity to commit suicide in a manner that would make it appear accidental. He had an idea that he could be run over in some way while at the exposition but he never could nerve himself up to the point where he could throw himself under a train or drop under the wheels of a trolley car. It appears that there were two life policies which had not been handed over to the administrator. One was for \$12,000, and the other for \$10,000.

These two policies had been assigned by Pennell to Attorney Wallace Thayer, in trust. In one he was referred to as "Wallace Thayer, trustee," and in the other he was designated "Wallace Thayer, as trustee." The insurance companies took legal counsel in the matter and held up payments. J. Frederick Pennell, the administrator of the estate, was called in and insisted on having more information before he would consent to the payment of any insurance money to Mr. Thayer as trustee. It was then that the story of Pennell's alleged defalcations and his plans to commit suicide were made known.

The \$25,000 insurance money assigned to Thayer in trust is supposed to be paid over to Mrs. Burdick in accordance with the will.

ROASTED MALIGNERS OF MORMON CHURCH

An Expression by President Joseph F. Smith.

Salt Lake City, Utah, April 6.—Before a vast assemblage of conference visitors in the tabernacle today President Joseph F. Smith, head of the Mormon church, vigorously expressed his contempt for those who made the fight against the Mormon church and Reed Smoot in the recent senatorial campaign in this state.

"I want to tell you," said he, "that there are no more loyal people on earth than the Latter Day Saints. We have been maligning, mistreated and misrepresented, but not by the nation. It was by the lying sneaking, cowardly wolves in sheep's clothing that go through the world seeking to stir up strife and trouble for the righteous."

Mr. Smith characterized these men as contemptible hounds and latter day devils who were born into the world to lie and were fulfilling their mission.
